RIVERVIEW MANOR

WEDDING & EVENTS VENUE

OUR STORY

*Delight your guests with
spectacular views at our
award-winning venue*

Twenty miles south of Lynchburg, Riverview Manor is a historic estate established in 1757. Located on the Staunton River, the Manor home was constructed in 1790 and was finished by 1815.

With sweeping views of the Blue Ridge Mountains, Riverview Manor specializes in highly-designed ceremonies, receptions and special events. In addition to our traditional garden ceremony site, we offer ceremony sites in numerous locations at our 197 acre estate.

Owned and operated by Jackie and Mary Helen Forrest, the couple opened their home almost 25 years ago for the first wedding on the property: their daughter's. Since then the family-operated business has hosted hundreds of weddings and events turning even the smallest celebration into the biggest memory.

They continue to open their home for those looking for a dedicated team and beautiful venue to make their wedding day one that they'll never forget.

The Riverview Manor team looks forward to making your wedding and event one of a kind!
